DETAILED ACTION

Allowable Subject Matter

1. Claims 1-13 are allowed.

The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of claims 1-9 is the inclusion of a second addressing unit for addressing a microcode memory with a first and the second addressing units being designed to take into account the content of a data register and/or the microcode register when subsequent addresses are determined in a device for analyzing digital data formulated in accordance with a communication protocol comprising a data register for reading out a pre-determined number of bits from a data memory and a microcode register, as recited in the claims.

The primary reason for allowance of claims 10-13 is the inclusion of updating counter readings for first and second addressing units in accordance with the content of the data register and/or microcode register in a method of analyzing digital data formulated in accordance with a communication protocol comprising the step of reading out a pre-determined number of bits from a data memory into a data register in accordance with an address specified by a first addressing unit, as recited in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
